May it please Your Highness,

I am very sorry if I have in any way displeased Your Highness by the note I felt compelled, in the interests of His Highness and the State, to submit to Your Highness recently,

I beg permission to withdraw my resignation and I humbly hope Your Highness will be pleased to accord to me the measure of

sympathy & support with me
which it is impossible for me, or
for that matter any body else, to
do justice to the high & responsible
office of Dowager.

Always your affectionate & humble servant

M. Vicomtesse
